and of a kind that he might well be proud to own. He is related to the brilliant actor, now dead, Edward J. Henley.

Ex-Representative J. N. Babcock, of Topeka, Ind., called on his friends in the Senate and House yesterday. He will return home this morning. Mr. Babcock and the late Governor Mount were intimate friends, and the former recalled with mingled pleasure and regret that Governor Mount was deeply interested in the welfare of the people of Topeka, and particularly in the handsome new debating society hall in which he delivered the dedicatory address to a most appreciative audience. "The people who toll for their living lost a powerful friend when Governor Mount died," said Mr. Babcock.

Judge W. J. Henley, of the Appellate Court, went to Ann Arbor, Mich., last night to act as one of the judges in the debate between the University of Michigan and the University of Pennsylvania.

Thompson's insurance bill, Senate bill No 210, which they favor. The bill provides, in matter will not be settled until the league \$100,000 they may transact business outside the State, where as under the present laws they must have \$200,000. In the party were Wilbur S. Wynn, of the State Life; Charles E. Darke, of the American Central; William K. Bellis, of the Reserve Goodale, of the Union Life. When Colonel the Governor's secretary, anthat Governor Durbin had not not, therefore, consider it with the genopposed to its provisions. We stand on our son's face grew purple at the insinuation | this season. that he had made a false statement and, rushing like a steam engine into the Governor's private room, he brought out the chief executive in person, who blandly informed the gentlemen that Colonel Wilson's statement was absolutely correct, that he had not seen the bill in question. were passed backward and forward and the party retired gracefully "to return another day." This incident serves admirably to illustrate the trials of men in

The wife of a State officer asked Representative Reser to support Representative Neal's women's suffrage amendment to the Constitution. "Well, I don't know whether I can do so or not," said Mr Reser. "Oh, I know you are an anti-reformer," said the young woman, "but I think you might make this one exception. "By the way," said Mr. Reser, in his suave confidence-winning manner, "what position does your husband take on the sub- probably will be made captain. ject?" "It's none of his business," snapped he woman, with flashing eyes.

Mayor Schuyler Colfax, of South Bend, has been here for the past two days looking over the South Bend charter amendment bill to see if it is all right. He has, night and Eby won handily by the score it is said, approved the measure, which is now in the hands of the Governor. XXX

THREATEN TO BURN HIM.

for a Woman's Black Murderer.

CORSICANA, Tex., March 7 .- At the head of a mob of two hundred citizens of this county, Conway Younger is pursuing an unknown negro who assaulted his wife and killed her by cutting her throat later yesterday. The crime was committed while Mr. Younger was away from his home a work in a field near by. There was no one child. "A big black man knocked mamma down and dragged her away," the child told its father when he returned from work. Frantic with grief, Younger began a search, and found the body of his wife in some bushes near the house. Her throat had been cut, and there was evidence of a terrible struggle. The alarm was given at once, and fully two hundred men, heavily armed, started in pursuit of the murderer. All night the men followed the baying bloodhounds, but fid not capture the negro. They lost the trail at 8 o'clock this morn-Hundreds of men are still hunting, and declare they will born the negro if hey eateh him. Mrs. Younger was hor-

rioly mutilated, veritably butchered. Two Negroes Spirited Away. CORSICANA, Tex., March 7 .- John Henderson, a negro, who, it is believed, is the murderer of Mrs. Younger, was arrested here this afternoon and spirited away by suit of clothes which was missing from the Younger farmhouse.

The negro who was in jail charged with he murder of Mrs. French last November has also been spirited away, whither no one seems to know. The fact was ascertained to-night by a mob of two hundred men who called at the jail and demanded Ace Stewart, formerly of the Indianapolis | the negro. When the jailer told them the

Heavy Damage Suit for Slander-Kokomo Publicans Fined-Madison Accepts a Carnegie Library.

Special to the Indianapolis Journal.

SHELBYVILLE, Ind., March 7.-In making up his order book in the George M. Ray case Judge Kirkpatrick indorsed the following in the record: "Said defendant is remanded into the custody of the sheriff for confinement in the county jail, to be thence conveyed to the Indiana State Prison, there to remain for the period aforesaid." Ray and one of the deputy sheriffs have been about town all day, the same as before the verdict was pronounced, and to-night in his paper Ray makes a scathing attack upon John Messick and James O. Parrish, the jury commissioners who drew the venire selecting "a little clique of prejudiced men" and stating that the basis of his conviction was political revenge. Mr. Messick is the president of the First National Bank of this business men and both are held in the high-

Sheriff Luther refuses to discuss the pos- candidate. sibility of confining Ray in jail, simply stating that he is responsible for his prisoner. To-day Ray had a claim before the County Council for an appropriation. He had printed a bar docket for Judge Morris and put in a bill for \$75, which Morris had indorsed as excessive. Ray, in the custody of Sheriff Luther and two deputies, appeared before the council demanding an appropriation for his claim and abusing Judge Morris for not recommending its payment and Auditor Oltman for not calling them together sooner. After a telephone consultation with Judge Morris the council made an appropriation of \$35 on the claim. One of Ray's attorneys last night stated that the next move would be to ask a writ of habeas corpus, but he would not state the grounds. Groups stand about the streets discussing the probability of the sheriff | a Grant county man, he sees no reason obeying the order of the court, and even why he should not be the candidate. bets are offered that Ray will not be taken to prison at all.

ELECTION REFORM JOLTED.

Montgomery Commissioners Refuse to Pay Caraway Law Awards.

Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., March 7. -The commissioners of Montgomery county this afternoon refused to allow the claim of F. P. Mount for \$3,600 for the conviction of thirty-six men accused of selling their votes at the election of last November. The case will be appealed to the Circuit Court and a thorough test will be made of the Caraway law, under which the convictions were secured.

Many Publicans Paid Fines.

Special to the Indianapolis Journal. KOKOMO, Ind., March 7.-Twenty-eight of the twenty-nine saloon keepers of Kokomo were arrested to-day for violation of the Nicholson law, which requires that screens be removed from doors and windows on Sundays and after 11 o'clock at night on week days. The arrests were on information by Prosecutor Willitts. Nearly to tell the tale, save his little three-year-old all pleaded guilty and paid fines, and the others will do likewise.

SUES FOR \$20,000.

Crawfordsville Woman Wants Heavy Damages for Alleged Slander.

Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., March 7 .-This morning M. M. Bachelder, as attorney for Mattie Johnson, filed suit against David Harshbarger for \$20,000, alleging malicious prosecution and slander. The complaint is in three paragraphs. The first recites that the defendant caused the plaintiff to be arrested on a charge of attempted blackmail, of which she was innocent, and taken before a justice of the peace; that later he gave testimony before the grand jury, had her indicted, caused the case to be continued in the Circuit Court, and finally dropped it because he had no case. The second and third paragraphs recite thrown in the way of securing some of the officers to Hillsboro, where he is now in the alleged slander, averring that Harsh-It is alleged that he had on a clothes which was missing from barger, in the presence of witnesses, accials of the Independent Glass Company, they met the executive board of the Naleged threatening letters, with intent to extort money.

Verdict in Sanitarium Suit.

Special to the Indianapolis Journal, GREENCASTLE, Ind., March 7 .- In Circuit Court this morning the jury returned of window glass being about \$2 a box. suit brought by Dr. Webster against Sylvanus Majors for damages, after a trial that continued through four days. Webster purchased a one-third share in one of the Nutter-Majors sanitariums at Martinsville, but the concern afterwards was incurred before Webster became interested in it. He had invested \$3,000 and was to pay several thousands more. He sued for his \$3,000 investment with damages to the amount of \$2,000. The case was venued to

Prof. Robert Noble, formerly of Indianapolis, and son of William Noble, of Richmond, has been made assistant professor in chemistry at the Armour Institute, Chi-

During a runaway at Portland yesterday Pressley Collett, a lumberman, was thrown from his buggy and suffered injuries about the head from the effects of which it is be-

Assets in the Hodupp failure, at Portland, have been scheduled at about \$4,600. The liabilities exceed \$12,000. Some ugly stories are affoat concerning the management of the firm's business.

Judge Cox, of the Circuit Court at Peru, has received a letter from Mrs. Friend, of Silver Lake, addressed "To the Jug of the Cort." in which she wants to know if her husband got a divorce from her.

Walter Eggemeyer, of Richmond, president of the State High School Oratorical Association, has called a meeting for Muncie on Saturday to complete the details for the contest at Indianapolis on April 19. The Western House, for over fifty years the only hotel at Lagro, Wabash county, has been closed. It was built when the Wabash & Erie canal was opened, and for many years was a famous hostelry. Milton Shirk, the Peru banker and millionaire, does not confirm the report that a new bank is to be started in Indianapolis, but admits that the project is under discussion among the men whose names were an-

nounced in Thursday's Journal. The Jeffersonville police have come to the conclusion that Robert Shrader, the young man who disappeared on Monday night with \$1,500 in his pockets, simply played a trick on his friends and was not murdered, as he would have them believe.

W. E. Mowbray, one of the attorneys who defended Roy Jones, the abductor of Nellie Berger, is suing the County Commissioners in the Circuit Court at Peru for \$250, which he claims as fees for the work he did. The commissioners wanted to allow him \$45.

The Terre Haute Commercial Club, which during the past year has secured the investment of \$600,000 in new enterprises in that city, with weekly pay rolls aggregating \$12,000, will celebrate the year's successes on Monday night with a banquet. Lou Cole, mentioned in Thursday's dispatches as being in trouble at Ashland, Ky., over having cut the chief of police in the cheek, is a son of J. O. Cole, the Peru brewer, and lives with his wife and son at Fairview, a beautiful country place, four miles from Peru.

The team stolen from Ellison Williams, near Knightstown, on Tuesday night, was with the horses Charles Kinnester, alias Ferguson, was gathered in as the alleged sent to jail in default of bond.

George E. Mullen, an old soldier and well-known resident of New Castle, hanged himself in his barn some time Wednesday night or yesterday morning. His wife was away from home and the victim had been dead some time when his body was found. Müllen was seventy years old.

The Penn American Plate Glass Company has acquired a right of way for pipe in a position at present to make a stateine purposes at Alexandria and is laying ment on the subject. eight-inch mains along the Big Four tracks for both gas and oil. At Summitville the town authorities have refused to allow the company to pass through the place with its lines. Samuel R. Hutchinson, formerly of

Frankfort, was arrested in Tippecanoe county Wednesday night at the instigation of officers of Reno county, Kansas, on a charge of bigamy. It is alleged that he has three wives-one in Oklahoma, one in Kansas, and one whom he married in Frankfort a year ago. Hutchinson is sixty-five

greater efficiency. For obvious reasons the

it is probable that within a short time a

fortunately has a considerable appropria-

tion made in a lump sum at its disposal

to cover the expenses of installing all

kinds of electrical applicances, aside from

those connected with the mechanical de-

partment of the ship, and when Secretary

Long gives the order a part of this will

be spent in trying Secretary Wilson's ex-

perts' devices. The outcome will be watched

with the greatest interest by all naval

men, particularly in view of the announce-

ment that not only Great Britain, but Ger-

many and the other European maritime

powers already have ordered the installa-

An interesting account of successful ex-

periments in wireless telegraphy is con-

tained in reports received at the State De-

partment from Consul George W. Roosevelt

at Brussels, Belgium. The experiments

were conducted by Emile Guarini, the in-

ventor of an automatic repeater. He first

attempted to transmit wireless messages

direct from Brussels to Antwerp, a dis-

tance of twenty-five miles, and thoroughly

send messages over such a distance without

the aid of captive balloons or masts. He

then turned all his attention toward the

transmission of the electric rays by relays.

and in this, it is stated, was entirely suc-

cessful. He telegraphed from a station on

top of a structure in Brussels to one on

the tower of St. Rombant Church in Ma-

linese. Numerous messages, says Consul

Roosevelt, were received and transmitted

with great distinctness, and two messages

were received at a time when communica-

tion with the ground from the transmitter

had been interrupted. This was the first

instance on record where wireless messages

were exchanged between two large cities

with the antennes placed on high monu-

ments and without the help of captive bal-

linese traversed several towns-Schaar-

loons or kites. The rays arriving at Ma-

beek, Haren, Vilvorde and Eppeghem-and

a large part of Malinese itself, over chim-

vibrations. Mr. Guarini's system involves

the method used in ordinary telegraphing

of relays and transmitter, the transmitters

at stations repeating the message auto-

matically as received. Mr. Guarini presents

a formidable argument against the hope

that great distances will ever be traversed

at a single flash. "The world is round."

he says, "and the rays spread in a straight
